

ADVANCED APPLICATION OF THE GENTLEWAVE® PROCEDURE

INTENDED AUDIENCE

Endodontists and team members who are currently utilizing the GentleWave® Technology in their practice.

COURSE OVERVIEW

This course is designed for GentleWave clinicians and staff members who are looking to enhance their skills and optimize their practice through use of the GentleWave System. Led by experienced clinicians, attendees will develop an elevated understanding of the GentleWave System Mechanism of Action, review techniques for procedure optimization, and discuss best practices in patient scheduling, communication, and billing. Clinicians will submit case studies and participate in a roundtable review of cases submitted.

COURSE OBJECTIVES

- Examine methods for managing complex cases with the GentleWave Procedure.
- Review techniques for root canal therapy procedure optimization, including access, shaping, platform building, obturation, and procedure instrument selection.
- Compare resources and methods for driving profitable practice economics and efficiencies, including scheduling, billing, and patient communication.
- Review case studies submitted by attendees for group discussion and collaboration.

DDS

FRIDAY, FEBRUARY 21, 2025 | LIVE

KIMPTON HOTEL MONACO

15 W 200 S
Salt Lake City, UT 84101

Time: 8:00AM – 4:00PM MST

Course Fee: WAIVED

CE Credits Offered: 7 CEs

Maximum Attendees: 12

[Book your hotel with discounted rate here](#)

Participants are asked to submit two cases in preparation for this course:

- A case in which you have used the GentleWave System and you had great outcomes.
- A case in which you either chose not to use GentleWave (and include an explanation of why) or a case in which you did utilize GentleWave but the outcome was poor.

Please include radiographic images and a short description of each case.

Email your cases to education@sonendo.com by Friday, February 14, to be included in the case review portion of the course.

COURSE INSTRUCTORS

Kirk A. Coury
DDS, MS

Dr. Kirk Coury attended Texas Tech University and received his DDS degree from Baylor College of Dentistry in 1987. A year after, he entered the endodontic residency program at the University of Texas Health Science Center – Houston where he received his Certificate in Endodontics and a master's degree in Dentistry. He opened his practice in Amarillo, Texas in December 1990 as the first endodontist in the Panhandle area. Dr. Coury is a Diplomate of the American Board of Endodontics, and Fellow of the International and American College of Dentists. He has authored several papers, and lectures frequently.

S. Ryan Facer
DDS

Dr. Ryan Facer earned his dental degree and specialty training from the University of Iowa, where he graduated with high distinction. He also received a bachelor's degree in medical biology from the University of Utah and has been published in peer-reviewed journals such as the Journal of Endodontics and the Journal of Dental Research. His research interests range from sealer coverage, bacteriophage therapy, roentgen therapy and adult stem cells, with an emphasis on bone biology and dental trauma. Dr. Facer currently practices at Greater Endodontics in Salt Lake City, Utah.
